“ You can have one special grandmother
Patient kind and true;
No other friend in all the world,
Will be the same to you.
When other friends forsake you,
To Grandma you will return,
For all her loving kindness,
She asks nothing in return.
As we look upon her picture,
Sweet memories we recall,
Of a face so full of sunshine,
And a smile for one and all.
Sweet Jesus, take this message,
To our dear Grandma up above;
Tell her how we miss her,
And give her all our love.

The kids and I love and miss you so much, thank you for being a great grandmother to us , we couldn't have asked for anything better truly from the bottom of my heart I am forever grateful and blessed to have been able to call you my grandma thank you for everything you have taught me, the lessons in life and how important it is to come together as a family. I love you grandma grace I will keep your name alive forever.

“ Grace was the best mom, not sometimes but every day. thoughtful kind hearted but like her mom Thelma there was only one way to do everything the right way. she is the kind of person that once you were her friend it was for life. She will be missed everyday and forever. I know her husband gave her the life she dreamed of. I'm her son and will miss her so much, my friends always told me I had the best mom and they were right! God is lucky to have her now, I'm sure she was waiting to see her mom & brothers/sister's she often talked about how much she missed them. I miss you already mom. Your son JR.
