“ I start to write something, and I lose it. You were raised so close to my kids, you were like my own. It breaks my heart that you didn't get a chance to live out your life, with Alexx at your side. Although we may never know what happened, I do know your Mom was there to take you home. Everyone that loved you has lost a piece of their heart. I will miss you coming in, saying “Hi, Auntie”, and hugging me, or hugging my head because I'm am so short! Watch over us, and give a hug to your Mom and your grandparents. I miss them so, so, much. I love you, from Auntie Faye.
