“*Herb was my neighbor growing up in Battle Creek. There was a total of 4 kids in our family. I can always remember having a good time whenever he was around. He had a way of putting a smile on your face and making your day brighter. If He caught one of us kids around without a sibling he would say, “Remember you, are my favorite.” Well, he was always my favorite neighbor and will truly be missed. My deepest condolences to his family.*”

“*I first met Mr. Troutner his first night in Port Huron. He moved here from Battle Creek to manage Henry Meyers Moving and Storage. I worked a PGC and he stopped to drop off his dress shirts. Every time after that he always managed to stay and chat. He was so proud of his family and always said I was his first friend in PH. I would run into him over the years and he always reminded me of that. He was the nicest man and I send my condolences to his wife Jane (whom I met as a customer of Chameleon Salon) and his family. Heaven has gained another Angel. He will be missed by many but will always be remembered as one of the good ones.*”
