“ I'm sitting here thinking we should have been where we always wanted to be, Out west and with each other. We were working on it but I guess we didn't work fast enough. It's hard to get past what you know should have been, Because we always were and will always ...always be.
Until we meet again.....

I will be forever heartbroken and never stop missing you. My life will never be the same. Not a day will go by that I'm not thinking about you. You were and will forever be the love of my life and my soul mate. Rest in peace my love. Until we meet in Heaven.
