“ My deepest thoughts and wishes go out to our aunty Jackie as she makes her journey from Earth to heaven. Your time here was cut short but, maybe that was for a reason yet unknown to us. As we try not to be selfish of your time we would like to thank you for all the wonderful memories that you shared and all the joy you brought our family and especially the kids with your thoughtful yet sometimes corny presents. We will forever be grateful to have had you in our lifes and your memory will surely live on forever in us all. With a heavy heart and tear filled eyes we say goodbye and also that we love you!!!

“ *To Jaqueline's Family and friends I offer my sympathy and prayers. I knew her mother and father and buried her father in the cemetery of St. Denis ,and visited the funeral home when her mother passed away last year. I pray and say as we have been doing now for centuries: "Eternal rest give to her, O Lord, and let perpetual light shine on her. May she rest in peace! May her soul and all the souls of the fiahtful departed through the mercy of God rest in peace."*
