

## James Sapiel

June 13, 1960 - June 2, 2024

LEXINGTON- James Sapiel unexpectedly passed away on June 2, 2024. James was born on June 13, 1960 in Detroit, Michigan. He was preceded in death by his parents, Edward and Joann Sapiel. James was the beloved life-partner and husband of Deborah Bonneau for 40 years. Dedicated father to Kimberly and Michael Bizon. He is survived by his brother, Bob and two sisters, Sue and Ann. He is a favorite uncle to many nieces and nephews. Jim (James) spent his life working for companies like Bayer and he retired from Agfa Corporation. He travelled globally as a technician for the printing industry.

Jim moved to Lexington to be with his partner, Deborah in 1987. Jim was larger than life- caring for his family, friends and neighbors. Jim was a Jeddo Lions Club member, volunteering for local causes and helping local families. Jim was involved in Lexington Heights Community activities and you could count on him for supporting Worth Township's elections every year.

Jim will remain in our hearts, memories and prayers- until we meet again. A Celebration of Life will be determined later.

If you would like to gift a donation in Jim's honor, please support the local Jeddo Lions Club, P.O. Box 27, Jeddo, Michigan 48032. Online condolences for the family may be made at [www.pomeroyfuneralhomes.com](http://www.pomeroyfuneralhomes.com).
