“ Dear Debbie and Amy and family

*I knew your mom, her little sister, Marilyn, and her big brother David from Port Sanilac days. Your mom was a wonderful person and so were aunt and your uncle wonderful people. I remember when they lived with their parents above the village store, which is still there on the main corner of Port Sanilac. I feel blessed in having known her as she was a wonderful kind person. She had a wonderful singing voice and a great smile. When I went over to their house to visit, the apartment above the village straw, I was always greeted in such a kind, friendly manner by the whole family.*

*I discovered your mom's obituary while looking for contact information for her big brother David. I was sad to hear that he and Marilyn had passed also. I did not know the other sister listed.*

*Janet's parents were wonderful people as well. Mrs. Smith worked in the village store one at a grocery store and it had the post office nestled in the back corner.*

*Anyway, it is the season. I'm going to be 82 in January. Where did Tom go.? I've been so blessed to have so many wonderful people in my life, including Janet and her family. My wife and I will include you in our prayers and wish you peace of the Lord in days ahead.*

*I would love to have a chance to talk to you two daughters
