“ Where to start with my beautiful Janiney.... I am cheri, married to one of Dukes best friends, Tim Murray. We met our significant others' and each other around the same time (1986) and have traveled this huge chapter together. Good thing the wives get along, we would always say, and that made for MANY a great canoeing trip, Michigan football party, or plain backyard get together. Her smile, quick wit, and laugh will forever be etched in my mind - there are things she has said 20 and 30 years ago that pop in my head and still, til this day, make me laugh. Rest easy my friend, see you on the other side. (Cabin trip 062020, me, Kathy beatty & 'our girl')
