“ I will truly miss Jason. He was such a sweet guy and I cherish the friendship he blessed me with. It was so easy to talk to him about everything and anything, and the laughs were priceless! He had such a gentle soul and deep love for those he cared about. This world will surely not be the same. I will always cherish the person he was and will never forget him. RIP my friend, you will be one of the first persons I will look for when I get to the other side myself. Until then, you will not be forgotten. ❤️
