“ *She was my second Mom growing up. I have so many wonderful memories that I keep tucked away in my heart, that space, reserved just for her now. My heart breaks for all of you. She was the best second Mom a young girl could have. She loved her family so much, her grandchildren and greats were the apples of her eyes. My daughter still has the blanket Jean made for her almost 40 years ago when she was 6 months old. It is a treasure she will cherish forever. Love to you all.*
