“ Jerry was one of a kind. Kind he was and caring and thoughtful. He didn't know a stranger and was the first to lend a helping hand. He gave the best hugs and I loved them. Jerry fought so hard to be free of the ugly cancer that ravaged his body. He was so courageous. I don't know if I could have been that strong. But he gained several more quality years to be here on earth with the rest of us who loved him greatly. We will miss him terribly but will remember him always. He was an awesome man, husband and father. Our lives have been enriched because he was a part of them. Love you, Jerry. Sing your heart out up there.

“ Marilyn, sincere condolences from Bonnie and Bob Wyman I always had the highest respect for Jerry. Always admired the love and care Jerry had for you. Wish he and I could have played more volleyball. Jerry always radiated his pleasure to be at PEM, Always a pleasant positive attitude greeting when we meet. Jerry had an outstanding smile. I will miss Jerry sitting at pool side under an umbrella with his wide brim hat. I will also remember Jerry as a graceful dancer. Great man, we will always remember meeting with you and Jerry at our first PEM breakfast. If I can be of any help when you come to PEM. Please assure your children I am there to help. So sorry Marilyn.

“ I will always remember Jerry dancing to the Arizona song. He was a valiant warrior fighting the disease that finally took his life. May he rest peacefully in the comfort of our Lord, Jesus Christ and may you, Marilyn, and all your family have comfort in that knowledge.

It was with a sad heart we heard of Jerry's passing. Although we are both from Michigan it was in Arizona that we meet Jerry & Marilyn. We enjoyed spending time with them. We know he is in a better place now but our thoughts and prayers go out to Marilyn and the family. God bless.
