“ Dear O'Day family, I am so sorry to hear of the passing of your Mom. I remember many talks with her over the fence with my Mom too. she was a very nice lady and I have often thought about her through the year. Oddly just in the past couple of days and only to find her name in the newspaper. We lost our Mom 8 years ago and our younger brother Richie 6 months to the dy. It is very hard and I know what all of you are going through. May your precious memories become so cherished and bring you peace and comfort. God Bless each of you always...
