“ I worked with your Mom for many years at Garden City Hospital. She was always so kind and compassionate, and ready to help any of us. She truly loved being a nurse, but even more, she loved her family with all her soul. She truly enjoyed her grandchildren. May all of you be comforted by her love for all of you. Celebrate her life, she will always be in your hearts.💕

“ Joann and I worked at Garden City Hospital for all of my 28 years there. We also worked together when I was also selling real estate. I was lucky enough to visit Joann in Clarksville TN when she was working as a Lactation Consultant. She said it was the best job she ever had. We stayed connected playing Words with Friends. I will miss her friendship greatly. God bless her sweet soul. Sandy Baynes

“ Joann, you are such a great mom. I will always remember the many things you did for us girls; from dying our hair, to driving us skating, to just being so kind. I know you loved your kids so much and your grandchildren as well. You will be deeply missed!

“ Joann had the biggest heart of anyone I know. She was always calm and ready to help without judgement. You girls had a wonderful mom who loved all of you so much. You and your babies were all she talked about. Know that she loved you and she will always be with you. A more genuine person will be hard to find. Hugs to all of you. A former coworker,
