“ I, too, have fond memories of John from High School. We were a few years apart but played football together one year; he was a leader, in a quiet, mature way, and a good, steady influence. Condolences to the family.

“ My condolences to John's family. Though I didn't go to Cros-Lex, he and I took building trades course together at the career center. I will never forget the fun we had back then. Still think of those past memories of him. Gone way to soon brother...RIP.

“ I can still picture Big John Hovanec lumbering off the football field, tired, sweating with a big smile on his face.
Too young to have passed. Rest easy John.

“ John was a fun, loving guy. We had lots of fun in our high school school years. I also had the experience of having him install some windows at my house. He did a great job. RIP John!
