*I know this is late but I can't help but send prayers to the kids. I play softball and volleyball with Joss and she is one heck of a player. She fought through her dad not being there but she fought. When she gets her home runs she says that's all for dad. May Joe fly high and comfort his Family with there hard times with there dad not being there. We will see you up there Joe 🙏🙏*

“ I will never forget the days walking down dove rd. The dirt road to get to Joe's house. After school going to play basketball dunking on the 9ft rim. Great soul, genuine friend! Joe had a good heart. Had your back. Prays to his family, God Bless you all in your time of lost. But his fighting spirit lives with us all.

“ Joe was an incredible kid growing up I first met him when we moved to the dove rd trailer when I was in the five grade. There was a large group of us that would play backyard football and baseball joe always shined while doing that. He was definitely a unique and rare person. Heaven is a much better place with him there and earth is that much more darker without him. I lost touch with him after I graduated and went into the air force, then later the distance just got further when I got married and had children. I was able to talk with him years ago but never saw him in person and that's a regret I'll live with. Whenever he came over to the house as with the other kids would always have the deepest respect for my mother I hope that he is able to find her now. Joe you were and are still a great guy you will be missed but never forgotten my friend. R.I.P. my friend,joe
