“*Sincere condolences to the entire Mooney family in mourning Uncle Joe's passing. Some unforgettable memories of his big smile and huge laugh. I still have the daily missal and hymnal he and Aunt Cynthia gave me for my first communion back in 1966 or 1967. One of my treasured keepsakes. Still keep out for an inspiration. Although I haven't been close for years, still remember visiting you all in Huntington Woods back in the 60's and the 70's and always enjoying the visits with you all. To a great husband, father, uncle, and always my Godfather, may you rest in peace and may God comfort all of you for your loss. Please give Aunt Cynthia a hug for me. Love, Kevin*

“ The Mooney family always makes you feel like your their family. From the first time, I had Christmas pudding in 4th grade at their home in Huntington Woods. To great BBQ and a walk on the beach in Port Sanilac. Mr. Mooney, the man of few words, but great humor will be missed Like all wisemen, he inspired me and their marriage is a good example of true love.

“ We adored Joe and we will miss seeing him around the beach and on Murphy Dr. When we look down the shoreline we will picture Joe and Cynthia holding hands as they walk along the shore. This is a great loss to many but we know Joe is now with his maker and an angel above us all. He was a wonderful man.
