Tribute Wall

GT

“ I remember as kids Mami always took the time to play with us. She would dance with each one of us. We always climbed on her feet 🦶 poor Mami her feet probably ached, but she was a trooper. We would race in my younger brother’s peddle boat and peddle fire engine. Mami would be the one to say On your mart get set go and off we went. Or when she would go outside to play with us in the winter to help us make a snowman. We ended up making the snowman’s body to big so we couldn’t put them together. When it was time for us to go inside to warm up, Mami would always make us oatmeal so we could warm up our insides. I remember once she let me invite some of my friends over for my birthday. Mami I will miss you dearly. I love you and now you can shine and dance with God and His Angels.
