“ I knew Judy and her family because we were raised in the same community. To know her is to love her. I was in band with Judy went to grade school and high school with her. Attended church with her we sang in the choir and shared Sunday school and youth fellowship those Christmas plays were so much fun. She never had a bad word to say. May God comfort the family at this time of sorrow.

“ Condolences to Judy’s family. I went to church and school with Judy and Her brother Tim. Such a nice family. Judy was a warm and welcoming person with a big smile that made me feel welcome as a young teen coming to her family church for the first time. I am so sad that she is gone so soon.

“ My condolences to the family, so very saddened by her passing. Judy was a wonderful lady, always so joyful and happy. She was a teacher to my nephew Joe and she became very important in our lives because she wasn't just a teacher in the classroom but outside as well making sure her students had what they needed to succeed. She made a big difference in Joe's life and we are forever thankful to her. Judy had the most beautiful smile that would bring a smile to my face. She's in Heaven with her beloved Steve, may they be resting in peace. Prayers to her family and friends, sincerely
