“ My name is Chuck Osentoski. I had the pleasure of working with your father at the Marysville bakery I believe which was back in the early 1970s. I think he worked there when Mueller brass was on strike and it was to pick up some extra cash. I always remembered your father because he was so much fun to be around. I realize this is about your mother but I want to give you my condolences on both of them. I met your mom a couple of times but didn't know her nearly as well as your father. I remember they were big time band boosters I remember your dad's yuck yuck laugh and always laughing. We had lots of fun working together but I lost touch with him over the years. Would've loved to see him again before he passed and your mother. Once again I'm sorry for your loss
