“ *Rachelle and Family, From all of us at ENT Surgical we are so truly sorry for your loss. We know how much you loved Justin and how much you will miss him. We are so glad that he got to meet Lennon and be apart of her life even if it was just for a short period of time. She will always have the stories of her courageous uncle and the battle that he had fought for years that you and your parents will tell her. He is amongst the angels now and will always be yours. We love you and we will always be here for you! Connie*
