“ We were pretty new to the club up north and Mr Tom Bigger when I got to talked to them new my Dad. So we spoke about the bar that our family owned and one day Karen showed up and I I did not recognize her right away. I am the so lucky that I did sit down and visited with her. She was picking up her granddaughters and heading up to Caseville I believe.

Karen and I were Facebook friends and I enjoyed seeing her posts of her time in Florida and the cabin in the U.P. I was sorry to hear of her passing. My sympathies to her family.

I am shocked and sorry to hear of Karen's passing. I graduated high school with her and Tom and she was among my friends all through HS. We kept in touch at reunions and finally through Facebook. I loved how she led such a full life with home , Florida, Caseville and the UP. Karen was the most gracious person I know. She will be so missed.
