“ Fred, Mary & Kristen, I and my family are sorry for your loss. Kenny was a great kid and we are glad to have been able to share part of our lives with him. Take heart in the knowledge that to be absent from the body is to be present with the Lord. We will see him again someday. Your family are in our thoughts and prayers. Your brother and sisters in Christ, Jeff, Karie, Hollyann, Samantha

“ I met Kenny back in 2004 when he was part of my counselling group at Christian Hockey Camps International in Waterloo, Ontario and then again in 2006. I was deeply impressed by his passion for the game of hockey but moreso by his passion for living and his strong faith. My son, Scott, also a camper and goalie, remembers Kenny's love for the game and infectious spirit. While it is comforting to know Kenny is now with the Lord, the news of his sudden passing brings much sadness. My thoughts and prayers are with mom and dad and Kristen. May our gracious Lord flood your hearts and minds with good memories as you celebrate the life of this young man--a life, while much too short, was well lived.
