Ruth my deepest sympathies to you and your family. Ken and I were related and I think second cousins. His mom and dad were my godparents. Every memory I have of Ken from our youth we're happy ones. May God bless all of you and May Ken Rest In Peace.

Ruth, Kevin and Pam- my most sincere condolences to the entire Quincy family. Ken was a wonderful man and introduced myself and countless others into the wonderful world of sailing! There wasn't a race, delivery or work day that didn't include a crazy story from sailing or his long career being a Detroit fireman. I was fortunate enough to have learned so much from him. Sending hugs and love to all of you. Fair winds and calm seas Kenny.
