“ I was so sorry to hear of Laura's passing. She and I spent many hours looking over pictures of her beautiful family and sharing with me her love for her beautiful grandchildren. I hope and pray she went peacefully into Jesus's arms and that her family realizes how much she loved them and spoke so fondly of them. As I would stop by to see her each time I was scheduled to care for her, and even after she was discharged from my care, she was always so beautiful, each and every time. I love her and wish I would have known she had passed so I could have said a final farewell from this earth, but I guess I will just have to look forward to seeing her in heaven again where she will be even be more beautiful than the last time I saw her smiling face.

“ I spent many hours at Laura's Home in Lexington as her Daughter Diane is my best friend , we meet in 4th grade at St Patrick Catholic School. My favorite memory of Laura was she was always trying to get me to taste her duck blood soup, and we would discuss the fact that she should not be eating this on Fridays cause it came from a duck and being Catholic not allowed to have meat on Fridays, I don't think we ever came to a good answer but at least i never had to try it on Fridays!!! Your loving family will miss you but God has a special place for you up in haven, say hi to my mom and dad for me.

“ Our sympathy goes out to Danna and Diane and the entire family. Losing a parent is never easy, but know they are out of pain and free of worry is a blessing. Keeping her memory in your heart will keep her close now and in the future.

Peace be with Laura.
