“ *I've known the family for years, since grade school and I consider myself family. Larry was the kindest man I've ever met. There are too many memories to just pick one but I can say he was a loving husband and father. He adored his family.*

“ *Dear Barb, my deepest sympathy. I always laughed when we talked on the phone, and Larry would always put in his two cents to our conversation (in the background). I know how hard it is, but know you are strong, and he would want you to keep going, and you will. God bless!*
