“ We are your cousin Petra's daughter and son. As far as we can remember attending all the dances and having you and your brothers playing great Mexican music. It's at those dances we remember learning to dance, and those great Easter dances smashing cascaraones on each other's heads. Those dances are some of our most cherished childhood memories. Thank You for that! I know you are in Heaven having a reunion with my mom,my Tia's and my Tio's. I will continue to pray for your family.??
