“ My heart aches for you, Linda. You and Les were such a big part of Lance's and my life. We always loved sharing time with you, many memories and many laughs and you always had more dust on the top of your refrigerator than we did! All I can tell you is just do one day at a time and know I'm here for you if you need to talk! Les was an amazing man and he'll be missed by many. Love you💕 Pam
