“ I miss my Moher-In-Law so much! She was such an important part of my life, and was my Mom too. She loved me unconditionally and was always there to encourage me. I know Mom is in the presence of our Lord and Savior, Jesus Christ, and that is the only saving knowledge that make her absence bearable. Mom, see you in Heaven. Love always and forever, Sophia

“ Grandma Lina was a truly beautiful and selfless woman. She loved everyone with all the intensity she had and always put others before herself. It was such a great joy having her in my life and she was a wonderful Mother and grandmother :). I miss her terribly already and life doesnt feel the same without her. I know that shes in heaven right now frolicking in the meadow of endless roses. Shes watching over all of us, protecting us continuing to be the angel that she was here on earth. Now she no longer suffers and shes in the comforting arms of Jesus. I know shes happy and that shell now be at peace for all eternity. She did so much for me and im so grateful for the time on earth that i got to have her as my grandmother. I cant wait to see her again one day :). Love you always and forever Grandma!
