“ Lucy was one of the most remarkable people I have ever met. Her strong spirit, drive, talent, and joy were surpassed only by her kindness and devotion to others. She knew what was good and right and worked all of her life to bring light into the darkness. She and Frank took us teenagers on canoe trips, camping trips, went out of their way a million times to drive everyone to church, teach about the wonder of nature, put on events constantly, etc. I don't know how they did it all-so much selfless giving to so many for so long! They have changed countless lives and brought comfort and hope to more places and people than they will ever know. Lucy is receiving her reward now for being the hands and feet of Christ on earth. What an inspirational lady! -My thoughts and prayers are with Frank all of this sweet family. -Pat Harrison, Gig Harbor, WA

“ *I am so grateful to be a daughter of Lucy, my Mom. Most of who I am has been instilled by her example, her encouragement, her love!!! She and Dad have poured themselves into so many lives. Miss you, Mom. Be seeing you in a little while!

“ *There are so many memories of Aunt Lucy. My earliest memory is when she was trying to get me to change the way I held my pencil, not sure it took ;-)* I think I got me sense of adventure from her that sure helped during our overseas assignments. I appreciate nature and it was a direct influence of her. She will be missed, but her mind and body are whole again and the halo is shining brightly. <3 Until we meet again.
