

Marjorie J. Dever

July 11, 1945 - June 30, 2019

Marjorie (Marj) Jean Dever born July 11, 1945 passed away on June 30, 2019 in Lexington, MI. She grew up in Grosse Pointe Woods with her mother Alice Freeman McQueen and father H. Jordan McQueen. Marj is survived and loved by her daughter Andrea, sisters Betty (Patrick Hughes), Mary (James Tutsock) and Carol (Michael Reggio). She especially loved her grandchildren Elle and Cameron and nephew Conor as highlights in her life. She enjoyed time with family and friends through the Lexington Arts Council, Lexington Garden Club and Trinity Episcopal Church where her memorial service will be held July 28, 2019 from 11:30-12pm following 10am mass. Donations may be made to a charity of your choice.

“ *Margie was one of my favorite sorority sisters because of her happy spirit and infectious laugh. She was so much fun to be around. She will definitely be missed by all who knew her.*

Caryl Mack - August 05, 2019 at 11:49 AM

“ *Marjorie was such a kind person. Her kind heart welcomed me during a tough time and I will never forget. We laughed and talked and sang as we drove to Florida and back. It was like therapy for me.*

The first of October 2018 Marge and I went out to dinner in Port Huron afterwards we enjoyed a walk by the bridge. This photo was such a nice characterization of a very pleasant evening. I miss her in so many ways. Thank you Marjorie for your wide open heart and compassion.

“ I have many a happy memory of Margie and I talking and laughing together. We laugh about the time we were proudly kicked out of a pizza place for singing the Michigan State fight song! She taught me so many things. While I was in the 5th grade...she overheard me whispering to my friend while Margie was taking a nap...“That’s my sister.” “She teaches 5th grade.” My friend was quite impressed. I loved my time babysitting her daughter Andrea up at the cottage and taking her to see the “kitchens” /chickens! I sang to her and rocked her the same way Margie use to rock and sing to me. One of the most favorite memories with my family (Bee and Marge and Andrea and Mom) will always be the trip out west to the Grand Canyon. So many more happy times I will keep in my heart forever.

“ Marchie was special in our lives. We shared many family experiences. This one occurred in the wee hours of the morning as I kept getting phone alerts. Then a call from Halifax in 2017, it was Marge and she had forgot that she put my phone number on the her house freeze alarm. She apologized and had Jim Allen come over to take care of it. lol

I was one of several Musicians that Marj opened her home to during the Lexington Bach Festival. It was quite clear what a warm, giving person she was. She would move out of her home to a Cottage next door, so more people could be housed. Several times there were as many as 8 musicians. She went way out of her way to make it perfect for us. She even called us "her people". The Festival will seem empty without Marj.

Tim Nicolia.....Cellist

I became acquainted with Marge through friends in the Lakeshore Garden club. She was always warm and interested in whatever I was doing. She eagerly bought flowers from my garden club sales every spring, even this one in 2019. She is so missed.

Cherril Gray - July 25, 2019 at 06:55 AM

Marge, was a dear Alpha Delta Pi sister. We met at Michigan State in the 60s when we pledged together. Marge was a teacher and counselor beginning in Bloomfield Hills Michigan and other school districts in Michigan. She attended ADPI reunions and saw her at Charleston SC in 2017. I can still her laughter now. Will be missed in our sisterhood.

I remember Marge from our college days and time shared in Alpha Delta Pi. I will always remember her smile, her laughter, and her caring nature. She will be missed by so many.
