“ I feel so bad that I am just learning of this. I served with Mark on the USS George Bancroft and he was a true friend and shipmate. He was one of those guys you were always happy to see and proud to call your friend. I have so many memories of our time together in Portsmouth, New Hampshire. Rest in peace my brother.

“ Dear family of Mark, I am so sad to read of the passing of Mark. My husband and I shared yearly at the Elks a Christmas Party, he was the greatest. I believe my daughter Colleen DeLacy and one of you children share a birthday. Mark would always say to Colleen I remember to night you were born Dec.4th. My prayers are with you all. “ Good bye my friend. It was a pleasure to serve with you. I made many friends in the Navy, but I always thought of you as one of my best. We did not stay in touch like we should. But I will miss you. Fair winds and following seas, shipmate.
