

## Mary H. Heilig

June 16, 1965 - November 6, 2021

Mary was born on June 16, 1965 and passed away suddenly on November 6, 2021 after a stunningly fast bout with COVID. She never married, but was dedicated to her family and lived a life of service and selflessness. She was known for her culinary prowess and her cuisine could make your mouth water. She was also a crafter who poured time into spoiling everyone she loved with meaningful, homemade gifts. And, she was an avid collector of Coke memorabilia. Mary was, quite simply, superhuman when it came to juggling the needs of multiple people and supporting their success. Her frequent role behind the scenes often received too little glory. She was pleasant to everyone and has been repeatedly described as a gentle soul and a gracious host. Those who felt Mary's devotion were truly blessed.

Mary is survived by her parents, Raymond and Darlene Kursinsky of Croswell, brothers David and Shawn Kursinsky of Croswell and Sandusky respectively, and several biological, foster, adopted, and extended family members. A memorial celebration of her life is being planned for June 2022.

“ Yes Mary you are definitely an amazing woman. You are among the Hall of Fame of The best woman Ever to exist. The work that you put in is still blessing others. I enjoyed the time when we got to go to that open mic night and the time we went and got pizza for your birthday and all of the times we got to have dinner together with your family and just getting to know everyone these past 16 years has been amazing and thank you for sharing all the delicious food.
