“ Today we celebrate the life of my grandma
Mary E. Landreau
Oct 2 1931- Jun 20 2020

There is so much to be said about my grandma Landreau, I just don't know where to start. Perhaps the beginning?

I was told how much she took care of me as a baby and how she could settle my crying almost instantly when placing me on her chest (if you knew her you'd understand why, lol 😊). That care never ended.

For over 7 years Tom and I would visit her and grandpa every other weekend (the whole weekend), and still grandma knew just how to make it a special visit every time.

She was hilarious (always cracking jokes). A great card player of all sorts of games- like who the heck knows how to play "polish poker?" I have yet to find someone. Lol

An amazing cook!

She thought me the value of structure and consistency in a family. "Supper always at 6pm. At the dinner table. No distractions, just pure visiting and talking to each other."

She thought me to be kind, loving, patient and understanding towards others.

She thought me to be still, to pray, and to be appreciative.

Beyond our childhood I continued to visit grandma and grandpa consistently- being away too long, felt like missing home.

That what she was to me, "home."

A person of peace, love, and comfort.

A person who I will forever miss.

Love you grandma, give grandpa all my love in heaven (along with a poke in the belly).

P.S. Conner will always know the THREE LITTLE FISHIES song came from you! ❤️

*"Down in the meadow in a
little bitty pool
Swam three little fishies
And a mama fishie too
"Swim," said the mama fishie,
"Swim if you can."
And they swam and they swam all
over the dam*

*Boop boop diton datem whatem choo
Boop boop diton datem whatem choo
Boop boop diton datem whatem choo
And they swam and they swam
right over the dam"*
