“ My dearest father. A father of a thousand fathers. I love you and will miss you everyday of my life. I can't find enough words to say or prayers to pray or wishes to wish upon. I love you so much. You were the most amazing man, humble man, that never let anything get in your way for providing for your family. You were everything I could ask for in a father and more. It is so painful to write these words because I never knew I'd have to write them so soon. I never thought I'd have to think of a life without you in it because I need you for so many things. There is more for us to see and it breaks my heart in half to try and come to terms that you are gone. It will take some time to accept it, to try and soothe this heavy silence that is sinking over me and mom, our home, our life. We will get through it though, a day at a time because you have gave us a life that was so prosperous, and full and loving and I wouldn't be the woman I am today without you. Everything you taught me, I will cherish and I promise I will be everything you knew I could be. That's all I can bare to say for now but you know your girls are missing you so much but I find comfort knowing you are relaxing, with no aches or pains, partying with everyone else we love up in heaven.

“ *Matt was one of the best men I have ever known. He was a loving father and a good husband to Geralyn. The tears I shed are for a friend who left us to early. He was a smiling face and kiss on the cheek whenever I saw him. Also a good shoulder to cry on. Matt I will miss you more than you will know, say hi to Mike for me and Rest in peace*
