“ You were a great grandma mom and wife to all of your grandchildren to you husband bill and your daughters and sons that miss you so much. I will miss all the fun times that we had together! I know that you are in a better place now with all "the hotties" as Breanna put it in heaven. Christmas, Thanksgiving, and all the other holidays won't be the same without you! :(You touched everyone you met and you will truly never be forgotten!!

“ *In Memory of Micky, Thanks for providing so much strength to me in times of difficulty and joy. (1984) Your words of wisdom, the fun and laughs that we shared are still with me today. Though I haven't seen or talked with you in so many years my heart is so sad for your loss - and also so thankful for knowing you during the short period of time that I did. You made an impact on my life. I thank God for your memory.*

May you rest in peace. All my love and thanks, Beth Stevenson (Buchanan)

“ *I will never forget Aunt Mickie's energy and flamboyance! Everything was larger than life and more exciting when she spoke of it. She could talk about the most mundane things and keep you transfixed with her words, intonation and gestures! She will always live in the hearts and minds of those who knew and loved her.*
