“ *Marc, Smitty, Melanie and Skipper, I remember you guys had the coolest grass because your Dad always rolled it with that heavy roller. I can see him sitting on the porch, soaking in that good, late-afternoon feeling with a cold beer. He was a great friendly and even-tempered guy...even when I backed into his car, right in front of your house on Edmore (still learning about driving!) and then had to go tell him! I'm sure he was the Best of Dads!
