“ From the DiFalco family and myself we want you to know we Love you all and are here for you if you need. I had the priviledge of knowing Mike since 4th grade and we became immediate close friends. Throughout the years we never argued. Mike had a natural integrity which most individuals have to strive for. He was a genuine good man. Our entire family (dad, mom & siblings) appreciated Mike's special character. Mike was supportive of me throughout all times both good and bad. He was not a fair-weather friend. The only two flaws I recall of my dear friend...in the 70's he never grew his hair long and he was one of the last individuals to get an answering machine. We dearly Miss you Mike, hold a spot for me until we meet again. There's not enough words to describe this phenomenal man who was taken too soon. With Great Love, Tony
