“ Mike was my neighbor. Our driveways were directly across from each other. We had many chats at the end of our driveways talking about life and family over the 18 years I knew him. He was always willing to share his wisdom with me, especially about cars and mechanical issues. On days with heavy snow, Mike would be seen traveling the neighborhood with his snow blower helping everyone out. He was just a generous, caring, and wise friend. He will be sorely missed.

“ Mike will be truly missed by all who knew him for his kind, caring soul, he always treated people with respect. His “Whatever” joking sarcasm comment will be missed by his family and close friends. The fondest memories I have were summers at the family cottage near his home, the Lexington fireworks ending at his house and the yearly Nawrocki family Christmas party. Mike’s family will remember Michael and the family members who have gone before him in the Legacy of the family cottage going on its 5th generation
I will miss you Mike, my brother and my best friend, Luv u always,
Theresa

“ As much as I'll miss our typical greeting to each other (hey old man) it's not a time to be selfish. You and Sharon have been reunited in glory, no more pain or sorrow and your wait and journey here on earth have ended. My thoughts and prayers are with your family

“ To my best childhood friend, I'll miss you dearly. Spending time with you, your Mom & Dad will be memories forever. Our families spent many of great times together, either in Redford or at the cottage in Lexington. Thanks to you, I learned how to water ski on Lake Huron behind your family boat. We both crafted our vast mechanical knowledge in the Nawrocki garage. We learned carpentry from your dad and constructed a storage shed and refurbished our basement for my Mom & Dad. We accomplished so much as youngsters that helped us mature and contribute to our precious siblings. Surely I know you're in heaven lending a helping hand, painting, and fixing cars. Rest in piece my BEST FRIEND.

“ My heartfelt condolences to Mike’s family. I new Mike from Meyer Elementary. He always went beyond the call of duty. When my shelves fell apart he fixed them. That wasn’t in his job description. Mike just always went the extra mile. He wore a smile in spite of whatever was going on in his own life. He spoke often of his wife and family. You were the essence of his being. Mike will be greatly missed by those who were fortunate enough to know him. Blessings 🙏❤️
