“ I remember growing up in Port Sanilac and walking past the Blue Water Inn. Mike would always say hi every time I walked by.

“ Sorry to hear of Mike's passing. I can remember as a young child seeing Mike strolling the walks of Port Sanilac. Always bringing joys to people. Remember the good times.

“ Being the sibling in the center I can't remember not having my big sisters and my little brothers. Michael isn't here but he is! Listen to the talk this week! Make it a point to overhear the conversations that friends and family are sharing. You will see a flicker of Mikes light, you'll hear him because in a neat way we all have him along with us as we continue on in our lives. I'd like to think that we are all, almost as blessed as he was ! We'll always have Mike!
