“ *To my extended family, my deepest sympathies and prayers are with you. It was a privilege to call her "mom" for the last 48 years, and to have all of you in my life. We are all lucky to have one family but I was allowed to have two. My memories are so very precious to me. Mom was a wonderful woman. I truly loved her and I know that she loved me. She is in heaven now with her lovely Nancy and my best friend Denise, and of course "dad." I miss them. I will cherish all of my memories over these many years and grieve with all of you.*

*All of my love and prayers.*

“ My deepest sympathy to the Bourdeau family, may the Lord comfort you at this time of sorrow.

*I had the privilege to meet Muriel a few weeks ago when I went to her home to bring her Communion. She was one of the sweetest persons I ever met. I wanted to meet her for a long time because every year at Christmas time she would donate crochet mitts that she made herself for our Giving Tree program. I was glad I was able to thank her and let her know how much her work was appreciated not only by our Giving Program but by many families that benefited from her generosity. My visits were very short because of her health, but in that short time she made a very big impression in my life. I'll always remember her pleasant look and her faith in the Eucharist. May she rest in peace.*
