“ So sorry for your loss. Our prayers and thoughts are with all of you. I'll always remember Uncle Ted as a guy with a sense of humor. He would get us all laughing when we saw him. I didn't see much of him in his later years as time got busy for all of us, but I'll always remember those times as a kid and Uncle Ted coming to visit. He will be missed by all.

“ Ted, so many memories. where to began. I will always remember the times we spent growing up getting in trouble. (which most of them times was your fault). Our families intertwined your kids were like mine and mine was like yours. many years have passed since, and the kids have all grewed up, but all the memories will stay. I love you Ted, and always will. PS will you forgive me for the pitch fork to your head now.
