“ I worked at Autoliv from 2000-2006 with Nancy. She was such a delight to be around. She was always organizing a get together or function. She was a special lady and I missed her so much when I moved back to Tennessee in 2007. She was someone who was witty and caring and everyone at work loved her. Rest in peace sweet Nancy.

“ I still live in the Sterling Heights area, so whenever i pass by the Schmid house on Hillsdale I fondly remember catechism class taught by Mrs. Schmid back in the 1980s. She was warm and welcoming, but definitely let us kids know when we were talking too much ("ferme la bouche!"). She was always kind to me and I have good memories of her. My condolences to her family and friends.

“ I have known Nancy for 46 years. We met at our boys, Brian & Eddy, gym class when we were expecting our daughters , Maureen & Kristina. We became neighbors in 1976 when we move to Sterling Hts. Ed & Nancy retired part time to Lexington where we had also retired. Nancy was always ready to have fun or help out when there was a project or problem. Nancy will be greatly missed.
