I was lucky to have been in Nathan's classes at Meyer Elementary School up until 3rd Grade. I also had the pleasure of being with Aaron for a shorter while there and.....of course....Mary being in the classrooms, volunteering her help for a whole lot of years. We were very blessed to have been given the chance to get to share our daily lives with all the Hartmans. Nathan, you will be missed tremendously and the Van Havel are sending our prayers and support in any way that you can think of, at this stressful time. Nathan...you are now totally in God's hands. Rest in Peace dearest.
