“ So sorry to see this. Okey was a wonderful friend to my late Husband, Pal Trupe. He spent lots of time at our home when we lived in Jeddo. One day we were at his home and my watch stopped working and his wife went into their bedroom and came out with a watch and gave it to me. She said this watch is from Poland and will not ever stop giving you the time as long as you remember to wind it. Then she laughed. I have been wearing it ever since. I have it on right now. Rest in Peace, my friend. Bet Pal will be there to greet you.
