“ *I met Pam @ BJU during freshman registration, and because we were both from MI, our introduction turned into good friends. I was her Chemistry Lab partner...I had never even heard of Croswell, but after I married, we ended up moving here. We would re-meet off and on when she would come to the church in Croswell, and our friendship bond always remained. I did not make it to the funeral, but my heart grieves for all her family & friends. She was very special.*

“ I just want to express my sympathy and love to Pam's family. I met Pam several years ago when she visited our church in Concord, NH. She left a lasting effect on one of my daughters, with whom she corresponded. We remember her as a kind, loving, and encouraging person. We've been blessed by her life!
