“ I can't remember a time in my life that aunt pat wasn't smiling. She always had a joke and a hug anytime I saw her. She's going to be missed so much by so many. She's the only aunt who called my dad by his "real name". Lol a\*\*hole. She was loved by everyone. ❤️

I want to say I first met Pat at Huron Tool where we worked with each other for a little while. She was the most kindest funniest person I have ever met. Even when we could both have a bad day at work she always found a way to make us both laugh. When I left Huron Tool some years passed and I moved to Croswell area and ran into Pat and at my daughter's basketball games because her granddaughter Crystal played with Kendra on the same team. We got to catch up and once again Pat had me laughing again. She was a beautiful, loving, happy person. I wish I had seen her obituary sooner so I could have paid my respects and say my good byes. I'm going to miss you a lot Pat!
