“ *Lord God Almighty, another year in the life of this Lodge has passed. The sands of time flow relentlessly. We have lost to death valuable and talented Masons from our membership. We have gained some new active members into our ranks. We have disseminated Masonic knowledge to the best of our ability. Guide us in developing and practicing those virtues which should characterize good Masons. Direct us in our efforts today to select new leadership for the future of this Lodge. In Your name and for Your sake we ask, Amen.*

“ I have so many funny memories of Mr. Sheridan. He and my dad shooting each other over the back fence, with the garden hoses, or hearing him call for Kathleen to come home. Me being the selfish friend never wanted her to leave, so I would ignore his calls thru the neighborhood. He would eventually have to come knock on our door, and I'm sure he wasn't too happy with me. That is probably why he insisted on calling me " Kelly Belly my whole life! I guess I deserved it! Sheridan family, my heart knows your pain. But treasure these wonderful memories we all have of your dad and papa. For it is these memories that will get you through the hardest times. I love you all.
