“ I just want to say that even though Paul is gone in body, that his life has touched many of us in its own way, and his memories will always be with us. I shall always remember the smile that he had every time I stopped to talk to him, and how he would always go out of his way to wave as I drove by. Speaking with Paul lead me to realize he was a very thoughtful and smart man. If you didn't learn anything from him as he spoke, its because you didn't listen. Rest in peace, you will be missed.

“ I don't think I could ever have asked for better in laws in my life. Over the last 15 years I have had some very good memories. I love watching Brady impersonate you-grandpa. I love that Jenna always tells people how hard her grandpa works. You were a happy go lucky guy that will be missed by many. Please keep an eye on all of us!! We know you will send us many signs that you are still watching. Love you.
