“ *My deepest sympathy to Pauline’s family.
How sad to hear that my friend Pauline passed away. She was so sweet and devoted to the church, attending daily Mass until she was unable to walk on account of her health problems. I had the privilege to bring her Communion and spend time with her in her apartment. She loved to see the birds coming to her little patio where she made sure they had food. She was always crocheting and was always happy.
She was so proud of her family and liked to share pictures and was always grateful of all the beautiful gifts they gave her.
I missed her when she moved to Medilodge.
May the angel welcome her in paradise, may she rest in peace.*
