“ So sorry to hear about the loss of Perry. I know I was young but I do remember all of you hanging out with us & my parents always had smiles on their faces. So many good memories!
It's so hard losing someone you love so much. Lean into God & He will bring you through your hard days to come. That's what I did after losing my mom last year & I would not have been able to get through it without God & everyone's prayers. Know that we are praying for all of you. God Bless-Love you guys
